CELA

July 31st, 2012

Dear Ms. Hampton,

This letter is to let you know that the response our campaign overnighted on July 19th and the FEC received on July 20th to MUR # 6592 from my campaign treasurer Tim Luke also serves as my personal response to the complaint. I apologize for any delay this misunderstanding on my part about not indicating such on the response from Tim Luke may have caused.

Sincerely,

Jacob Turk

Leadership. Not Politics.
